

**PACKAGE 1:
Single Page Website €200**

If you just require a single page website with perhaps the intention of expanding this in the future we will design this for you for €200. It includes up to four images and standard text content, which should not exceed 1500 words.

**PACKAGE 2:
Four to Six Page Website €450**

This is the cost of a small website that would be suitable for most small companies. Each page will consist of up to 1000 words and have up to three images and standard text content.

**PACKAGE 3:
Seven to Nine Pages Website €550**

This is the cost of a larger website that would be suitable for companies that want to provide more information about their products and services. Each page will consist of up to 1000 words and have up to three images and standard text content.

**PACKAGE 4:
Ten to 12 Pages Website €700**

This is the cost of a larger website that would be suitable for companies that want to provide more information about their products and services. Each page will consist of up to 1000 words and have up to three images and standard text content.

What else is included?

- A standard online enquiry form can be included on the contact details page if required.
- Basic Search Engine Optimisation (SEO) is included in all of the above options.
- Design of a graphical masthead with your company name or logo (if you have one) is included.
- Search Button
